PAST PRESIDENTIAL MOMENT (1982 – 1983) CHARLEY PLUMMER

Past President **Plummer** started out with the fact that no women were in Rotary while he was President. Rotarians wore suits and ties and only one classification was allowed to join. **Charley** praised Rick King as the best District Governor (subject to DG Harper’s performance) to date. Rotary asked **Charley** for an increase of 10% in its membership. Pres **Plummer** came through with a 20% increase in its membership. **Charley** appointed some guy by the name of **Dick Bowman** to be Sec. for the club. I believe it is the same **Dick Bowman** that “hangs” with the current club. To summarize Mr. **Plummer’s** performance, he was voted the Outstanding President in the District.
